CREATIVE STRATEGY · MEDIA & TECHNOLOGY · DIGITAL CULTURE

Education

LMU Munich, Ludwig-Maximilians-Universität — 2023 to 2027 (expected)
B.A. Art and Multimedia; Minor in Media Informatics

- Interdisciplinary program at the intersection of art, media, technology, communication, and digital culture.
- Bachelor's thesis: Nam June Paik as a pioneer of media art and his influence on contemporary screen and data art.

Seoul National University, Seoul — 2025 to 2026
Exchange Student, Department of Communication

- Completed coursework in communication, media, design, and popular culture, working in international teams.

Experience

Brewinsight, Coffee Magazine — 2026 to Present
Social Media & Content Strategy

- Develop the social media and content strategy across Instagram, Pinterest, and Threads for a global coffee community.
- Drive creator acquisition and community growth to build an audience and convert it into traffic and sign-ups.

6th Man, Basketball Community, Munich — 2024 to Present
Freelance Brand Designer

- Built the complete brand identity, from naming and logo to pitch deck, print, and social media.

ucm agency GmbH, client assignment at Eurotrade — 2025
Luxury Retail & Customer Experience Associate

- Delivered premium service to an international clientele across luxury beauty, fashion, and lifestyle brands at Munich Airport.

The KaDeWe Group, Oberpollinger, Munich — 2024
Sales Associate & Visual Merchandising Assistant

- Executed visual merchandising for seasonal brand campaigns and advised clients in a luxury department store.

Selected Projects

SmartScan | AI Product Concept, LMU Munich, 2025. Co-developed an AI scanner that explains complex documents to older adults; featured in the LMU Newsroom.

AI Treasure Chest | Installation, Deutsches Museum, 2025. Co-designed a chest that closes as visitors approach, making the "black box" of AI tangible.

PULSE and NEXUS | Co-Direction, Camera, Screenplay, LMU Munich, 2024. PULSE, a speculative film on AI, screened at the TU Kenya Conference on AI.

The One I Want | Director & Producer, SNU, 2026. Led a five-person international team of first-time filmmakers.

SNU 80th Anniversary Film | Concept & Animation, 2026. Conceived and hand-animated a solo congratulatory film.

Florilegium | Artist Book, SNU, 2026. A metadata-driven photo archive built with TouchDesigner; exhibited at Pages, Fukuoka Art Book Fair.

Leadership & Activities

Head Student Representative, Korbinian-Aigner-Gymnasium Erding — 2021 to 2023

- Led a team of about 20 representatives for approximately 1,200 students; co-founded the student parliament.
- Launched a free hygiene-product initiative (local savings bank prize); represented the school in Luxembourg.

Volunteer Graphic Designer, Nonprofit Organizations — 2021 to Present

- Developed posters, flyers, and social media assets for nonprofit events; co-organized the school's graduation yearbook.

Volunteer Firefighter, Volunteer Fire Department — 2015 to Present

- Respond to emergencies as part of a volunteer team; designed the poster for the department's annual carnival ball.
